

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than 60 years combined experience with effectively designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are committed to providing top quality and new design concepts so as to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They like providing items that energize both their dealers and their partners and offer production gains to their customers.

The team at TREK likes tackling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' skills and needs along with their comprehension of cleaning applications, together with owners' strong desire to dramatically reduce expense through productivity gains.

The employees at TREK and their dealer-partners are really committed to having both parts and technical support accessible when it is required. Their high service commitment is among the core values in their customer service. Keeping their customers' cleaning equipment functioning and ready everyday is top priority. The company's top of the line technology delivers dependable machine which eventually lowers your cleaning expense. The price, the service and the product all work together in order to make them an industry leader.
