

Lull Telehandler Part

Lull Telehandler Parts - Telehandlers by Lull have been supplying load placement accuracy ever since 1959. The Lull telehandler can really help make the task faster and easier, whether the work requires landing loads on scaffoldings, transferring loads or positioning heavy steel. These units are available together with the patented Stabil-Trak stability system to ensure operator confidence.

The Lull horizontal load placement system provides 80 inches of boom travel for precision placement capabilities. Various optional accessories is available for Lull telehandlers in order to help do any task.
